FROM THE ADMINISTRATORS
OF THE DE LA SALLE SCHOOL

Vol. XII No. 3 – 3 October 2018

Dear Parents/Guardians,

Fall has finally arrived, and with it, some well needed cooler weather. Fall has always been my favorite season. The time when the trees burst in magnificent colors as if nature had been saving up all year for the grand finale. Truly the Fall is one of God's great masterpiece's.

We have now reached the halfway mark for the first quarter which means it's time for Progress Reports. Progress Reports were sent home today in the Wednesday Folder. Please review it with your son. Celebrate his good grades, and encourage him to work harder on grades he needs to improve. Encourage him to seek extra help, ask more questions in class, and study more on a daily basis. If you have any questions regarding any grades, please don't hesitate to reach out to your son's teachers. We are here to work together with you to help your son grow academically, as well as, spiritually, socially, and emotionally.

The month of October also signals the time for our standardized testing. Starting this week, the 7th grade will take the CogAT, Cognitive Abilities Test, followed by all students taking the IOWA test the week of October 8th. These tests identify students' academic strengths and weaknesses and learning styles which enables teachers to drive their instruction and make adjustments based on student needs.

Enjoy the start of autumn and all its beauty. Always know we thank you for entrusting us with your most precious gift, your son.

God bless,

Mrs. Becker
Principal

- Saint John Baptist De La Salle

Dear Parent/Guardian,

Tuesday, 2 October, was the Feast of the Guardian Angels. John Baptist De La Salle, the saint for whom our school is named, frequently reminded the teachers in the schools he founded that their role was to act as guardian angels for their students. My colleagues and I are grateful for your trust in us as we strive to lead and guide your sons.

What an exciting month September was; The start of the new school year, welcoming new students and staff, the farm trip and the Golf Outing just to mention some of the highlights. It has been a most rewarding grace filled time, punctuated by the amazing young gentleman whom we have the pleasure of encountering and teaching each day. What vibrancy and life they bring to our school building.

The faculty and staff at The De La Salle School astound me with their enthusiasm and dedication as they continue to do their very best to ensure that your sons have the necessary tools to succeed and to grow in their faith and spiritual lives.

As we move forward with the school year, please be assured of our continued efforts to provide your sons with our best efforts and nurturing, so that he knows that he is a unique and talented child of a loving God. I would also like to let you know that my door is always open if you should you have any concerns regarding your son's education.

You all continue to be in my thoughts and prayers,
Smile God Loves You.

Mr. William L. Gault
Executive Director.

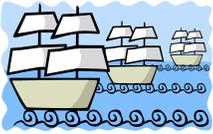

CONGRATULATIONS GENTLEMEN

The following students were honored as Gentlemen of the Week during the month of September: Frank Hernandez '21, Joel Bonilla '20 and Joshua Perez '20.

Gracias-Thank You-Merci

Special thanks to Mr. Donodeo, Mr. Vera and Mrs. Becker who gave up a week of their time to spend it with the fifth and eighth graders in Vermont! This trip would not be possible if these dedicated Lasallians did not volunteer their time. Again, this year the trip to the farm was a great experience for the fifth grade and a new and challenging experience for the eighth grade.

Don't Forget to attend the remaining High School Open Houses.

Eighth graders and their parents, as well as seventh graders and their parents, are urged to attend the Open Houses sponsored by the Catholic High Schools.

← We collect these box tops and redeem them for cash! Please clip, save, and send in with your son. Our first submission for this year will be mailed on 19 October.
