

# THE DE LA SALLE SCHOOL

87 Pine Street, Freeport, NY 11520

14 January 2019

## Greetings from Mr. Gault

Greetings!

A Blessed and Happy New Year!

As we usher in the New Year, we also begin the process of recruiting for the Class of 2023. We will be visiting several local parishes to inform their parishioners of the amazing mission that we have undertaken here at The De La Salle School. This class will start fifth grade in September and when they graduate in June of 2023 they will represent our eighteenth graduating class. We have come a long way since our humble beginnings back in 2002, yet there is still much more that is needed to continue the mission of providing a quality human and Christian education for young men from economically challenged families here on Long Island.

This week we began administering our Mid Term exams, a clear indicator that the school year has reached the half way point and the second semester is about to begin. Students are diligently studying and preparing each subject area, hoping for positive results, as they conclude the first semester of the academic year. There is a real sense of determination and pride in the building as the young men look to successfully finish the first semester on a high note.

The eighth-grade students are also eagerly waiting for the results of the CHSEE exams. The exam to determine placement in a Catholic High School was written in November and the results and acceptance letters are being mailed this week. Please keep our eighth-grade students and their families in your prayers as they discern what the next step in their educational journey will be.

Thank you for the support and encouragement that we received in 2018 and please be assured of our continued prayers for all our friends and benefactors throughout 2019.

Live Jesus in our Hearts...

William L. Gault  
Executive Director.
