June 26, 2019

Dear Parent/Guardian,

I would like to take this opportunity to welcome you and your child to the 2019 - 2020 school year. Our goal this year is to create an atmosphere of open communication regarding your child's progress and behavior, both at home and at school. It is my belief that positive interaction between teachers and parents/guardians creates a strong support system, which helps students succeed.

Throughout the school year it will be necessary for your child to complete the following:

- All school work daily
- Complete homework and bring it to class
- Bring any notes pertaining to absences
- Come to school prepared to work on a daily basis
- Come to school in uniform every day

The materials needed for this school year are:

- Nine (9) marble composition notebooks
- Four (4) pocket folders
- One (1) box of pencils
- One (1) package of printer/copy paper
- One (1) box of tissues
- One (1) rolls of paper towels
- One (1) package of sanitizing wipes
- One (1) bottle of hand sanitizer
- One (1) bottle of hand soap
- One (1) pack of dry-erase markers
- One (1) pack of loose-leaf paper

It is very important that your child does not bring gum, candy, toys, or electronics (including cell phones to school. If these items are found they will be confiscated. A parent will be required to come into the school to pick up any confiscated items.

School is a place for learning and growing. Therefore, your child should follow school/classroom rules. I'm sure that with your assistance, your child will be able to succeed at his/her educational goals. It will be a pleasure to work with you and your child this coming year!

Sincerely,

5th Grade Teachers
