RE: Student Accident Insurance

Dear Parent/Guardian:

The Clark School District is dedicated to the safety of the students that we serve. In the event that your child is injured during school hours or while participating in a school sponsored event, the school district is only responsible to cover medical expenses that your personal health insurance does not cover. Please consider taking the Student Accident Policy since it will cover medical expenses that your personal health insurance may not cover. The Clark School District does not provide health insurance for individual students.

Student accident, dental accident and life insurance are offered through Bob McCloskey Insurance as an inexpensive, added protection for your child. Attached is a flyer from Bob McCloskey Insurance which directs you to their website where you can obtain more information on their voluntary insurance coverage options. Please know that the type and level of coverage you desire for your child is a personal decision and unique to every family. If you have any questions regarding the voluntary insurance coverage options offered by Bob McCloskey Insurance or need assistance utilizing their web site, please call them directly at 1-800-445-3126.

Sincerely,
