

ARTHUR L. JOHNSON HIGH SCHOOL  
CLARK, NEW JERSEY 07066

*School and Community Scholarship Application Packet*

Each of the scholarships listed below can be applied for by submitting the *School and Community Scholarship Application*. While students may choose to apply for more than one scholarship, students should only complete the *School and Community Scholarship Application* one time.

In lieu of requiring information on student employment and involvement in extra and co curricular activities, STUDENTS ARE REQUIRED TO ATTACH A COMPREHENSIVE RESUME to the *School and Community Scholarship Application Packet*. Before doing so, students must be certain that all activities and accomplishments have been properly noted and sufficiently detailed within their resume.

Caution must be used to ensure that all aspects of the document are completed thoroughly and with accuracy as the requirements for the scholarships included in this section vary from organization to organization. Students must also submit the attached School Document Release Form and must INDICATE CAREFULLY EACH SCHOLARSHIP FOR WHICH THEY WISH TO APPLY.

Upon the receipt of the completed application, the Guidance Office will attach the following documents to each student's packet:

- All letters of recommendation submitted through Naviance
- Transcript with weighted and non-weighted seventh semester G.P.A.

The completed application packet must be submitted to the Guidance Office no later than March 27, 2018. To protect the integrity of the scholarship process, no applications will be accepted after that date.
