**Re:** Halloween Costumes

Seniors from the Class of 2020 have the special privilege of dressing in costumes for our annual *Halloween Costume Competition* on Friday, October 30, 2020.

Any student looking to get judged will be asked to report to the foyer for a picture. We will conduct the competition for AM/PM groups as well as remote. Any senior remote student wanting to participate will be asked to take a selfie picture and send it to Mrs. Feeley by 12:00 noon. Winners will be announced at the end of the day. Covid masks must still be worn.

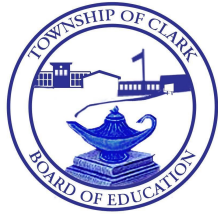

Participants must adhere to the following guidelines:

- Full Face masks cannot be worn except during the judging of costumes.
- Costumes must not defame or make fun of any ethnic, racial, or religious group.
- Offensive language and/or obscene pictures on clothing are unacceptable.
- The style of the costume must be appropriate for school. For example, there should be no bare chests or bathing suit-type costumes.
- Costumes depicting characters from illicit programs are prohibited, e.g., *Breaking Bad*.
- Weapons and/or replica weapons are not permitted.
- Costumes requiring a group of students to move together during the school day are not permitted.
- Students must attend all of their classes.

As a rule of thumb, standard ALJ Dress Code as per the Student Handbook will be enforced.

Questions about costumes should be directed to the school administration. Appropriateness of the costumes will be determined by the school administration.

Best Overall will be receiving a free prom bid! **Underclassmen may choose to dress for Halloween however the contest is a Senior event only.**
