Assistant Principal

February 2, 2018

Dear Eighth Grade Students and Parents,

For the past several years, Kumpf School students have been contributing tiles to our "Wall to Remember" in the front foyer of the school. Once again, eighth grade students are invited to contribute to this school project. There is NO COST to students or families to participate in this program.

On the next page are the "Art Guidelines" so your tile will look its best. Most importantly, use bright, bold colors and fill the entire page. ONLY the paper that has been provided can be used. Put the student's name in pencil on the back of the art work when submitted (we will put the labels on after we receive the art work). **All submissions are subject to approval of the administration and must be appropriate for display in the school.** If the administration feels the art work is not appropriate, it will not be submitted for display. If a student has a question about what he or she wants to put on a tile, please ask before the submission deadline.

Students are to complete the art work on the paper that is provided. If the art work is not on the given paper, it cannot be sent for publication. **All submissions must be returned to your child's homeroom teacher no later than February 15, 2018.**

We hope all students will participate and enjoy leaving their legacy at Kumpf Middle School.

Sincerely,

Rick Delmonaco
Principal
