Dear Parents and Guardians,

Any student who is at school after the dismissal time must exit the building in a timely manner. If a student remains in the building, he or she must be in a supervised location with a teacher, coach, or advisor present. No students are permitted to be in the school unsupervised.

If your child wishes to attend an after school sporting event, the child must exit the building and wait until the game supervisor is present (approximately 3:30 p.m.) to return to the gym for the game. The game supervisor will open the front door. At the conclusion of the game, student fans must exit the game site upon its completion and wait outside for their ride. Any student who attends a sporting event must follow all school rules and act appropriately at all times. Positive cheering of our team is encouraged but at no time should any negative comments or gestures occur towards our players, other fans, or visiting teams. Students who do not follow the school rules are subject to disciplinary action and will not be permitted to attend future games.

Thank you for your continued cooperation.

Sincerely,

Rick Delmonaco
