Parents/Guardians,

Please take a moment to review your personal information in our Genesis parent portal. Contact information, phone numbers, emergency contact info, and other personal information should be reviewed to ensure accuracy in the system. We recognize that over time this important information could change and Clark Public Schools would like to make sure we can always have the ability to reach our families in a timely matter. Moving forward, all updates and changes to accounts must be executed by the parent or guardian using Genesis. Attached are screenshots to assist you in the process. Should you have any questions or are in need of assistance with our Genesis system please do not hesitate to contact our help desk at [genesis@clarkschools.org](mailto:genesis@clarkschools.org).

Sincerely,  
 Andrew Amendola  
 Supervisor of Pupil Personnel Service / Guidance
