Dear Fifth Grade Parents/Guardians,

I hope you and your families are healthy during this difficult time. As you know, our annual Sixth Grade Orientation was scheduled for April 2, 2020 but was postponed due to the COVID-19 pandemic. We were hoping we would be able to return to school and re-schedule the program, but unfortunately, this did not occur. We are now going to hold a virtual presentation for parents on Wednesday, May 27, 2020. The presentation will begin at 6:00 p.m.

The presentation will be “live” and similar to the parent portion we normally do in person, just remotely. During the presentation, parents will be able to ask questions through the chat feature. We estimate the presentation will last one hour. To access the presentation, go to the link below at 6 p.m. on May 27:

The link can also be accessed on the Kumpf website under the kTV Live section. If you are unable to watch live, the session will be recorded and posted at this same web location and on the Kumpf website the next day. During the presentation, the chat feature will be active, and we will do our best to answer all questions. However, if we do not get a chance to answer your question or you think of any other questions, please do not hesitate to contact us.

Your children are more than welcome to watch the presentation. We are also planning some summer programs prior to school starting in the September for the students that will be discussed on Wednesday.

We look forward to “seeing” everyone on Wednesday and hope you can join us.

Be safe and give our best to your children!

Sincerely,

*Rick Delmonaco*
