Summer 2019

TO: Parents/Guardians of Incoming Sixth Grade Students
RE: **Amendments to Chapter 14: Immunization of Pupils in School**
(effective September 1, 2008)
Tetanus, diphtheria and pertussis (Tdap) & Meningococcal Vaccine requirements

As of September 1, 2008:

1. All children born on or after January 1, 1997 and enrolled in Grade Six or transferring into a New Jersey school from another state or county are to receive one booster dose of Tetanus, diphtheria and pertussis (Tdap) vaccine, **provided five (5) years have lapsed since the last vaccination.**
2. All children born on or after January 1, 1997 and enrolled in Grade Six or transferring into a New Jersey school from another state or country are to receive one dose of **meningococcal-containing vaccine.**

Please have your physician, certified nurse practitioner or public health agency complete the detachable form below indicating the month, day, and year of vaccination or the date of the appointment if your child will not have turned eleven (11) years or age by the first day of school in September.

To ensure enrolment in the middle school, please take prompt action by complying with this state requirement. Please contact me if you have any questions at 732-428-1802.

Sincerely,

Lori Kowalski
School Nurse
