Dear Parent/Guardian,

Each November schools across the nation celebrate American Education Week. To commemorate American Education Week this year, Kumpf School has set aside November 14<sup>th</sup> and 15<sup>th</sup> as **Parent Visitation Days**. On these days parents are invited to visit the building and observe student classes. Visitors will be able to visit the classrooms your child is in and see what life as a middle school student at Kumpf School is like.

Sixth grade parent visitation day will be Tuesday, November 14<sup>th</sup>, and Seventh and Eighth grade parent visitation day will be Wednesday, November 15<sup>th</sup>. Parents will be able to visit your child's period 2 and 3 classes. We ask that you arrive at 8:45 a.m. for registration in the cafeteria. Visitations are limited to the listed time schedule. Students are not permitted to leave with parents for lunch after visitation ends. For safety and security reasons, all parents must pre-register and present photo identification to enter the building. We also ask that during your visit, that all cell phones be turned off so as to not to create a disruption to the classroom environment.

As always, your cooperation is greatly appreciated in making these days a success. If you can not attend our **Parent Visitation Days**, please check the Kumpf website for upcoming events at the school. Feel free to contact myself or Ms. Davidson if additional information is required or with any concerns you may have pertaining to our **Parent Visitation Days**.

Sincerely,

Rick Delmonaco  
Principal
