September 11, 2018

Dear Sixth Grade Parents/Guardians,

I hope that your child has found his or her middle school experience to be enjoyable during the first week of school. The first days of school have been quite gratifying for the Kumpf staff and we are looking forward to watching your child grow and mature during the next three years.

Now that school has begun, you as a new parent may have questions about Kumpf School that you did not realize during orientation last spring. In an effort to provide you with an opportunity to have these questions answered, Kumpf School will hold a Sixth Grade Parent Question and Answer session on **Thursday, September 13, 2018 at 7:00 p.m.** in the library.

I will provide general information about the school and the programs available as well as answer any questions that you may have. The evening will last no more than one hour (but I will stay as long as needed). This program does not replace Back-to-School Night, as specific information from your child's teachers and classes are addressed during Back-to-School Night on September 27.

Best wishes and I hope you can join us on Thursday for this session.

Sincerely,

Rick Delmonaco
