Dear Kumpf Parents and Guardians,

Kumpf School's Picture Day has been rescheduled for Thursday, October 22, 2020. Our picture studio, Lifetouch, has previously sent information electronically to the email addresses registered in Genesis. There will be no "paper" order forms this year and all purchases must be made online. The specific information is also included below on how to order online. Lifetouch has made provisions to ensure the safety of our students when taking pictures. There will be no "props" used this year for pictures, the photographers will wear face coverings at all times, and the photographers will remain socially distanced when taking pictures.

For our "in-person" students, the seventh and eighth grade students will have their pictures taken during Physical Education classes. Sixth grade students will be called down alphabetically throughout the day. For our "remote" students there are designated times for pictures to be taken. Please consult the information below on what is required to come to school to have your child's picture taken. Students will leave their face coverings on until just prior to the picture being taken and will put the face covering back on once the picture is taken. All touch points will be sanitized in between students.

If you ordered picture packets previously online (prior to the September date that was cancelled), you do not have to re-order or make any changes.
