November 18, 2020

Dear Kumpf Parents and Guardians,

As you already know from Mr. Grande's letter and Honeywell, Kumpf School will be on remote learning starting tomorrow, November 19, 2020 until Wednesday, November 25, 2020. Students will learn remotely following our current schedule. In other words, AM students should login at 8:05 a.m. and PM students should login at 11:55 a.m. We will continue with our A/B schedule as well. **On Wednesday, November 25, 2020, as this was already scheduled to be an all remote day, all students will login for the AM session.** At the end of this letter is the A/B schedule for the next few days.

Students are expected to login to each of their classes during the assigned class time. Students must be visible (show their face) during the session and maintain proper behavioral standards during the remote sessions. The teachers will continue to use Google Classroom to interact with the students and assign work. If your child is sick and unable to attend the remote learning session, please make sure to call the school to report his or her absence.

As a reminder, no students are permitted on school grounds during the school day while we are on remote learning. While I understand you may want to know more information, the school and the school district is not able to provide specific details about the positive case due to confidentiality. All "close contacts" have been notified by the school nurse. Please continue to follow the recommended health and safety guidelines to keep our students safe and so we can resume our in-person instruction as soon as possible.

Regards,

Mr. Delmonaco  
Principal
