Dear Kumpf Parents and Guardians,

As stated in Mr. Grande's letter and Honeywell from today, all Clark Public Schools will be on remote learning beginning Monday, November 30 and ending Friday, December 4, 2020. For Kumpf School students, this means we will extend our current remote learning time that was scheduled to conclude on November 25. However, the remote learning schedule will change starting November 30 to a different schedule. This schedule will provide four hours of daily instruction each day.

The new schedule is on the next page. This will be the schedule we will follow from November 30 to December 4. With the new schedule, ALL students will login at the same time (as opposed to AM/PM sessions), but we will maintain an "A" day/ "B" day schedule.

I realize, with all the changes the last few days, this can be a little confusing. On the next page, I summarized which schedule to follow and which instructional day we are using from now until December 4. I hope this helps to clarify any questions. If there are any additional changes, you will be notified. If you have any questions, please do not hesitate to contact the main office.

Students are expected to login to each of their classes during the assigned class time. Students must be visible (show their face) during the session and maintain proper behavioral standards during the remote sessions. The teachers will continue to use Google Classroom to interact with the students and assign work. If your child is sick and unable to attend the remote learning session, please make sure to call the school to report his or her absence.

Thank you for your cooperation and understanding with these changes, as we try to "pivot" our schedule to provide our students with more instructional time. I hope you and your families have a safe and Happy Thanksgiving!

Regards,

Rick Delmonaco
