

Dear Parents,

This year Kumpf will be participating in the National PTA Reflections Program; the PTA's cornerstone arts program. The students submit artwork to their Local PTAs. The work is judged and the winning entries advance to the County level for judging. After that, it is onto the State level for the next round. The TOP State Award winners then advance to the National level for judging. This year's theme is **LOOK WITHIN**.

The categories that the students can enter their works of art are below and the submission rules are attached for your reference.

- Dance Choreography
- Film Production
- Literature
- Music Composition
- Photography
- Visual Arts

Entries will be judged primarily on how well the student uses his or her artistic vision to portray the theme, originality, and creativity. Entry forms and contest rules are available online at [Reflections](#) and are also attached for your convenience. Hard copies are available in the main office if you do not have access to a printer at home.

We hope that you will encourage your child to participate in this program. If you would like additional information on the Reflections program, please refer to the link above. The participant must have a parent/guardian be a current member of the Kumpf PTA.

**** Entries are due to the main office by no later than November 25, 2019.**
