A reading program is a joint responsibility between school and family. The suggested titles are works that are recommended by such organizations as the American Library Association, the New York Times, and the National Council for Teachers of English.

They appear on many reading lists across the nation. The suggested titles have been reviewed by a committee of teachers at each grade level, however, only parents can determine appropriate choices for their children. Check with teachers, local librarians, and book websites for reading levels and information about the various titles.
