Superintendent of Schools

Dear Parents,

October 5, 2018

It's that time of year again! It's time for the annual Valley Road Halloween Parade on October 31st! As is tradition on Halloween at Valley Road School, children will have the opportunity to go home for lunch on this day at 11:25 a.m. The children will return to school at 12:55 p.m. Students will report to their classrooms where they will gather in preparation for our 1:20 p.m. parade. The parade route will go from the office entrance, down the driveway, along the Valley Road side of the school, cross the driveway through the pedestrian walk, over the blacktop, and back through the first two parking spots with the cones and into the school through the door next to the gym. Students will then go back to their classrooms for their class parties. Dismissal will be at the normal time (2:55pm) following the class parties.

Those students who will not be going home for lunch on that day will be able to purchase lunch and change into their costumes at school.

All costumes should be school appropriate. Students are not permitted to bring fake weapons of any kind. Photography should be for personal use only. We request that parents wearing costumes that cover their faces please get a guest badge from the office. This is for the safety of our children. PTA class parents will be helping with the parties. We ask that all other parents do not enter the building. Parents should avoid parking along yellow curbs. If you would like your child to be removed from school Halloween activities and given other activities, please call our office in advance so we can make arrangements accordingly. We ask that parents do not send in "Goody" bags for this holiday. All food and party items should go through the PTA class parents. Other food and party items will not be given to children.

Please indicate if your child will be going home for lunch on the 31st or if they will be staying at school. Thank you very much, and Happy Halloween!

Yours truly,

Joseph Beltramba

Principal _____
