

Memorial Day

Valley Road School will be holding its Memorial Day Service to honor our nation's veterans who made the ultimate sacrifice. We will sing patriotic songs and present a wreath. Several veterans will then get a chance to speak to students.

We are seeking local veterans and active military soldiers to share the day with us. If you know of any veterans or active military soldiers who may be interested, please have them fill in the form at the end of this newsletter and return to Mr. Joseph Beltramba or call/email the school's office and give us their contact information. Contact the office at 732-388-7900 or jbeltramba@clarkschools.org. Veterans/Military Soldiers will have the option of speaking or just attending. There will be a service at Valley Road School at 1:30pm and one at Hehnly School at 9:15am. Veterans may arrive a few minutes before the start times.
