

Valley Road School Roster

CLASS ROSTER RELEASE

I hereby give permission for my child's information which may include some of the following: name, e-mail, address and phone number to be included on a class roster that will be printed and distributed to all class members on "Move-Up" Day. Please return to us as soon as possible. Without your release your child's information will not be included on the class roster. Parents may use the roster to contact other parents in their children's class.

Please be aware that these rosters need to be completed and handed in before June 14th. This will allow us to be prepared for Move Up Day. If this form is not submitted by that date your child's name will be included on the class take home roster but not additional contact information.

You could also email to valleyroadschool@clarkschools.org

Child's Name:

Phone Number:

Address:

Parent/Guardian Signature:
