

KISS THE CAST & CREW

Of

For only \$1.00 your special cast or crew member receives a personalized message from you and 3 delicious Hershey Kisses.

You can purchase as many \$1.00 messages as you'd like. We've attached a few to this flyer, but are always happy to supply you with more.

At the end of the production, each cast and crew member will have a bag with their messages and candy ready for them as a special memory of the night.

Don't worry, you can make additional purchases the night of the play when family members and friends attend.

Each cast & crew member will also receive a special message & treat from the play directors.
So everyone receives a bag with treats.

Please return all money (cash only please) and messages in an envelope attention:
