Dear Fifth Grade Parents/Guardians,

The transition to middle school can be a time of great trepidation for students and parents alike. Informed students and knowledgeable parents experience significantly less anxiety in this process and transition to the middle school much more easily. In an effort to alleviate any existing concerns, we invite each of you to attend the Annual Sixth Grade Orientation on the evening of Thursday, April 2, 2020 at 6:30 p.m. at Kumpf Middle School.

The orientation is designed to better familiarize your family with the school facility, curriculum, and extracurricular programs. Parents will meet in the cafeteria for a presentation and refreshments while the incoming students visit with Kumpf Peer Leaders and members of the faculty. Students will receive a tour of the building, and will have an opportunity to ask questions about the Middle School.

Because space is limited, we ask that only incoming students and parents attend the orientation. We look forward with great enthusiasm to the 2020-2021 school year and hope to see many of you on the evening of April 2. Please do not hesitate to contact us if additional information is required, or with any concerns, you may have as your child joins the Kumpf community.

Sincerely,

*Rick Delmonaco*

*PS: The Kumpf PTA will host a Book Fair in the library the evening of the Orientation. Please stop by and see book titles recommended for middle school students.*
