<p>Greetings and Welcome to Fall!</p> <p>We are back and rolling. It is my pleasure to welcome to this month's What's The Buzz? This month we are excited to embark our on 6<sup>th</sup> Annual Camp Ramapo retreat! BEES students and staff will travel together to Ramapo for Children's Rhinebeck NY campus for a 2 days of games, teambuilding challenges and fun. For me, Ramapo is the unofficial start of the long year. Relationships are formed, experiences are shared and we take that experience into the new school year. It is my genuine hope that all students participate in this wonderful opportunity. Looking ahead this month we begin "BEES Academic After School" Tuesday Wednesday and Thursday afternoons. We invite all families to take advantage of this opportunity. BEES teachers are on hand in all grades to assist with homework, class assignments, and projects. Classes are from 2:40 – 4:00 pm and are part of the NY Edge after school. In order to participate a student must have NY Edge application on file. Thank you again for trusting us with your child's education. I am personally grateful for the opportunity to share all that is "bees" with you.</p> <p>Next month we hope to shar information about PupilPath – the new BEES online gradebook and information sytem.
