Dear Seniors,

You are about to embark on what can be one of the most valuable experiences of your high school education!

The John Jay Senior Independent Experience (SIE) is an exciting program that facilitates off-campus independent learning experiences for our students in the last 5 weeks of senior year. The feedback we received from the students who participated in the Senior Independent Experience in past years was overwhelmingly positive and we would like you to be part of this year's program!

Off-campus opportunities will include full-time (25 hrs/wk) internships and volunteer work directed by both an off-site Supervisor and a JJHS Senior Experience Advisor.

Please be sure to attend all required meetings and read all the materials in this SIE packet very carefully. There are forms in this packet that MUST be returned on or before the deadlines indicated or your application will not be considered.

At this point in time please begin your own research, and reach out to potential internship opportunities that are of interest to you. You will be asked to provide that information on the SIE application form due on **JANUARY 11, 2019** for our review. Until then, please check your school email regularly and join our Remind class (SIE 2019) to inform yourself about upcoming meetings and deadline reminders.

Congratulations on taking your first steps to a very rewarding and exciting experience!

Sincerely,

Ms. Liberatore and Ms. Tewksbury
