JJMS Goal: **Take the time to get to know our students well and use that knowledge to increase student engagement in our classrooms.**

Classroom Mission Statement:

I believe each child should be empowered to feel that they can ask any type of question and obtain answers in an environment that is safe, supportive and encouraging.

This is demonstrated by: Open Dialogue; Positive Interactions; Overall Supportive and Friendly Atmosphere

Subject: Learning Lab/Resource

Teacher’s Name: Greta H Laffey

Curriculum:

This class is designed to support students in becoming independent learners. The students will work on individualized goals through the use of 7th grade core class content. While working on individual academic goals, students will also have an opportunity to enhance their organizational and study skills as they relate to the 7th grade curriculum.

Resources:

EChalk will be used to post upcoming assessments and long-term projects from the students’ core classes. Links and other helpful information will be provided under the “feed” section of eChalk.

Several on-line sites for independent practice including: Quizziz; Quizlet; IXL

Extra Help:

Wednesdays after school and at lunch by appointment.
