***“Learn. Care. Lead.”***

***Mr. Jeff Swiatowicz, Principal***

***Ms. Monica Bermiss, Assistant Principal***

***Ms. Shantel Brooks, Assistant Principal***

**2019-20**

**Open House**

**JJMS Goal:** To be a school that continually fosters learning, caring and leading

**Subject:** 8<sup>th</sup> Grade Special Class Math

**Teacher:** Jessica Nappi

**Mission:** Our mission is to create a classroom environment that recognizes and values each student’s strengths and uses these strengths to enhance growth in areas that are in need of improvement. Each member of our community is expected to work to the best of their ability, respect others, and take responsibility for their successes as well as their mistakes.

**Curriculum:** Special Class Math provides math instruction using mainstream and grade level curriculum materials in a smaller setting allowing for preview and review of material. The smaller class size allows us to use the same material as the general education class and have the flexibility of moving at a pace that allows us to meet the needs of our students.

**Grading and Homework:** Math Class: 20 % Class Participation/20% Homework/20% Quizzes/20% Test/20% Projects

**Resources:** The following are a list of resources to help your children be successful math.

Xtramath.org

IXL.com

BigIdeasMath.com

Quizlet.com

Math-aids.com

**Extra Help:** Wednesdays and during lunch the day before and of a quiz or a test.
