JJMS Goal:

Take the time to get to know our students well and use that knowledge to increase student engagement in our classrooms.

Classroom Mission:

Students will be engaged in specific tasks, independently applying skills and strategies modeled and reviewed through mini lessons. Ultimately, students will select strategies that work best for themselves as learners and apply them with minimal teacher prompting.

Subject: Co-teach ELA/math, learning lab, resource room

Teachers' Names: Katrina Costello

Teams Impact, Intrepid, Perspective,

Curriculum:

Students are supported in their content area classes. Additionally, students work toward achieving their IEP goals.
