Ms. Monica Bermiss, Assistant Principal

Ms. Shantel Brooks, Assistant Principal

2019-20 Open House

JJMS Goal: Take the time to get to know our students well and use that knowledge to increase student engagement in our classrooms.

Classroom Mission: As part of the Team Perspective community we strive to inspire and support one another academically and emotionally. We celebrate empathy, creativity, determination, learning from failure, and our personal and cultural differences as we prepare to have a positive impact on an ever-changing world.
