Ms. Shantel Brooks, Assistant Principal

2019-20 Open House

JJMS Goal: Take the time to get to know our students well and use that knowledge to increase student engagement in our classrooms.

Class Mission: I believe that students learn best through a variety of active learning strategies and feeling safe in the classroom empowers them to accept new challenges. Working together, we will seize the opportunities to think critically, collaborate and communicate with each other to make sense of ourselves, one another and our place in the world.
