

MEDIA PERMISSION PREFERENCE (Amended June 2018)

KLSD is pleased to celebrate the accomplishments of our students. As a result, your child may be photographed, videotaped and/or interviewed by staff for KLSD yearbooks and e-newsletters as well as in school-generated press releases that are sent to local media and posted on the KLSD websites or social media sites. Please select the choice below which best describes how your student’s information and/or photograph may be used.

By selecting “I give permission for my student’s information/photograph to be included in media coverage including KLSD e-newsletters, websites, yearbook, and press releases” below, I release the Katonah-Lewisboro School District, its officers, employees, agents and successors, from any and all claims, demands, actions, causes of action, suits, damages and judgments as a result of the use of the above information about my child in the publications and other activities described above. I am over the age of 18, have read the above information, I understand the conditions of the above agreement and will be bound by its terms on my behalf and on behalf of my child.

- I give permission for my student’s information/photograph to be included in media coverage including KLSD e-newsletters, websites, yearbook, and press releases.
- I give permission for my student’s information/photograph to be included in the yearbook only.
- I do not give permission for my student’s information/photograph to be included in any media coverage including KLSD e-newsletters, websites, and yearbook.

Please note: Regardless of the choice you make below, be aware that participation on an athletic team or in an after-school performing arts program may lead to your child’s photograph appearing in a local paper or on our website, as such events are open to the public.
