These reports will initiate a full investigation following our district protocols.

All Pelham elementary students are taught the following protocol. Learn it, practice it, and use it. You can prevent many situations and get the help you need.

What to do When Someone is Bothering You

1. Ignore the person and walk away...
2. Tell the person in a strong voice, “**Stop it!**” ...then walk away.
3. Say in a louder voice, “**STOP IT!**” Then warn the person that you will tell an adult if it happens again...then walk away.
4. Tell an adult that you need help.

If you or your property are hurt go directly to Step 4.
