

# Pelham Memorial High School

## Mission Statement

Pelham Memorial High School is dedicated to the promotion and achievement of academic excellence.

We

- ...strive to create a secure and supportive environment which promotes the intellectual, emotional, and physical well-being of all members of the school community,

- ...celebrate diversity and encourage tolerance and respect for individual and cultural differences,

- ...uphold the tenets of a democratic society,

- ...provide our students with experiences that enable them to make ethical choices and function in our ever-changing and technological world,

- ...foster the development of critical thinking, problem solving, creativity and love of learning

- ...encourage the recognition of learning as a life-long process.

Pelham Memorial High School will continue to cultivate these ideals and invites all members of the school community to share in this endeavor.
