

5th Grade Summer Assignment

Due to your 5th grade teacher on September 17th, 2018

Requirement: Narrative Writing Task

Wonder, by R.J. Palacio

Welcome to Beecher Prep! Getting settled in fifth grade isn't easy, but we hope you've made the appropriate adjustments. Please don't forget, the administration is always here to help!

To celebrate your first month in school, we'd like you to create a narrative that details your experience at Beecher Prep. This piece of writing should be a *minimum* of one page and must:

- Be written in the first person (Refer to the book for inspiration)
- Include descriptive wording and sufficient dialogue
- Incorporate the events and characters from the novel

Need *more* inspiration? Here are some strategies and ideas to make your project *WONDER*ful!

- Use your imagination! Picture yourself as a member of the Beecher Prep community!
- Ask and answer questions as you write:

Are you *Team Auggie* or *Team Julian*?

Have you had a chance to socialize with Auggie?

If so, what were your initial thoughts?

Are you in any of Auggie's classes?

Are you involved in any of the events in the book?

Were you able to speak with any of the other characters?

What did you say to them? How did they respond?
