Dear Educator,

The student who provided you with this form is interested in participating in the *ENLACE* program. We are a competitive, cohort-style program for high-achieving Latino students from the Bronx. ENLACE Scholars attend our Saturday Academy during the academic year on the Lehman College campus. Students receive advanced STEM (Science, Technology, Engineering and Math) and English coursework through which they develop problem solving, research, analysis, leadership, public speaking, and critical writing skills, among other experiences and opportunities.

To complete their applications, the student will need to have a teacher, counselor, and another educator from their school or a community-based organization to fill out the second page of this Nomination Form. Your answers will help us to gain a holistic profile and summary of each of the candidates. This form should be filled out, signed and sealed in an envelope with your signature across the seal. We are asking that students submit their application - with the nomination form included - to the ENLACE program.

Thank you for your contribution to this student's curricular enrichment and college-bound journey.

Should you have any questions, please contact martha.atencio@lehman.cuny.edu or 718-960-8934.

Sincerely,

Martha Atencio
