

P.S. 30 School SLT Meeting Minutes
January 23, 2018

Welcome

Mr. Ihne accepted the minutes
Mrs. Guercia seconded the minutes.

Construction

Nothing new to report.
Scoping should be done next month.

Saturday School

Started January 20, 2018.

This was invite only, reason for invite only is Mr. Ihne gets a funding line for students who are struggling on their Ela and Math test. Based on funds available Mr. Ihne could only have a certain number of teachers for Saturday school. So students in grades 3, 4 and 5 who were struggling were asked to come.

CEP

We have to review our progress.
There are five goals, we reviewed the goals and monitored the progress so far.

Teacher illness/absence

Teachers are entitled to take days off or take leaves. Teachers have a certain amount of days they are able to take off according to their contract. Mr. Ihne understands that parents would like him to do something about a teacher being absent. Any action taken is done with a thought process and for the safety of the children. There are rules that have to be followed.

Pre/ Kindergarten registration

Started it is open until March or April.
Kindergarten we had a lot of kids apply so far.

Mr. Ihne had motioned to adjourn the meeting at and Mrs. Guercia seconded that motion.
Meeting was adjourned at 5pm.
SLT minutes submitted by Catherine Anderson.
