

P.S. 30 School SLT Meeting Minutes
November 20, 2018

- Welcome
Ms. Tozzi approved the minutes.
Ms. Agandouch seconds the minutes.
- DLT minutes
DLT minutes is basically the sit minutes for the district, they come out every month and are sent to us. A lot of the work in the minutes focuses on equity and excellence for all. Data analysis for the district was discussed in the minutes. P.S .30 is better than the average of the district. Our students have continued to improve in the last five years.
- ELL Review
ELL review for compliances and teaching, we had them come in yesterday to look at P.S .30. There were only two areas that we were cited for, our test scores and being able to get letters translated to parents in a quick turnaround. We did okay in every other area they looked at.
- Auditorium
We are getting an auditorium upgrade. The issue that we face is while this takes place where will the students go. Mr. Ihne will have a meeting tomorrow to discuss this upgrade. Mr. Ihne is hoping that the construction of the auditorium will take place over the summer.
- Construction
The construction on the streets looks like it has finished. Mr. Ihne is not happy with the set -up of the construction of the school yard. .
Construction on Wardwell between Leonard and Waters will be two weeks.They will be doing this construction six days a week during Christmas break, and continue one week in January. Scaffolding has not gone up yet.
- Jets Tickets
P.S .30 came in 2nd highest in the city in the completion of anti-bias training.
We will be getting 25 tickets for the December 15th game, Parking passes come with the tickets. Mr. Ihne will be raffling off 2 tickets per grade at the holiday fair for students. The other 12 tickets will be raffled off to teachers of each grade.

Meeting was adjourned at 5pm.
