

DECEMBER

News

2nd grade is performing in the Winter Sing on December 13, 2019! We are so excited to get to perform our three songs for our families, the Kindergarten and 1st grade classes! We hope to see you all there!

Reading

We are finishing up our information unit where we learned how to use text features, complete a book report, retell an informational book and answer questions our friends had about the topic we read about. During this unit, we were able to share a lot of facts with our peers to help grow our minds!

Writing

In Writing Workshop, we are finishing up our Informational Books. 2nd graders are writing about topics they are experts in so they can share their knowledge with others! Students are helping to teach about their topics by placing text features and fun facts on their pages!

Math

Beginning in December, we will be moving past addition strategies and diving into subtraction. Students will continue using place value blocks, number lines, math facts and drawing to help them solve.

Important Dates

12.13: Winter Sing
12.20: Spirit Day
12.23-1.1: Winter Recess (School Resumes 1.2.20)
