Dear Parents/Guardians,

Welcome Back!

I hope you are enjoying a wonderful summer. I also hope you are relaxed, recharged and ready to start a new school year. We have many plans to make the 2020-2021 school year a memorable and safe year for everyone. Our skilled and devoted staff is already planning and preparing for your child (ren). Our hard working custodians have spent the entire summer thoroughly cleaning the facility.

**Student Placement:**

A great deal of time, effort and thought has gone into the process of student placement for the 2020-2021 school year. Careful consideration was given to input from staff and families as well as student learning styles. Classrooms have been balanced academically and socially. Our class lists are structured to provide equitable class sizes at each grade level. Moving students is difficult without causing imbalances and inequities.
