Del Norte School Report Card and Grade

Dear Families,

Yesterday, the New Mexico Public Education Department released School Report Card grades for all schools in New Mexico. It is with great excitement and pleasure that I announce our 2016-2017 school-grades: **Washington Elementary scored a “B” and Juan de Onate Elementary scored an “A!”** As most of you know, both of these schools combined in March to form the new Del Norte Elementary.

There are many factors that have contributed to the tremendous increase in student achievement at our school. Most importantly, our staff works tirelessly to ensure your children receive quality learning opportunities throughout the instructional day. We have also established school-wide systems that promote a culture of excellence and reflect Del Norte’s Core Values: RESPECT, INTEGRITY, PERSEVERANCE, and INNOVATION. Our parents are the foundation of our community – you will always be your child’s first teacher! We want to thank each and every one of you for supporting this school and doing your absolute best to ensure your child’s attendance and to provide academic support at home.

Del Norte Elementary is a “HIGH PERFORMING” school and our students deserve nothing but the best! We will continue to strive to make our Northside community proud.

In celebration of our school grades, we will be hosting a school-wide barbeque **on September 15th from 10am to 12:15pm**. All families are welcome to join our students for lunch outside on the school grounds. The UNM Branch across from Washington Elementary will also be hosting a “North Fest” on this day. We will send more information as we receive it.

Please return to the school:

Will you be able to attend our “A” school celebration? _____

If so, how many will be attending (not including your student)? _____

Best,

Kristen K. Bischoff, Principal
Margaret Daugherty, Assistant Principal
