## Del Norte "Less Than Five" Attendance Campaign

We'd like to take this opportunity to remind families about Del Norte's "Less Than Five" campaign. At the end of the school-year, students who have missed four or less days of school will be rewarded in the form of a special field trip and various other prizes. This campaign was a huge success last year and we are looking forward to providing this again!

As a reminder, please make sure your child comes to school no later than 7:45am. Research demonstrates a correlation between school attendance and academic performance. Students tend to do better academically when they come to school every day.
