

To finish out the Yearbook for 2020 we will include a section titled “Vision 2020: Coyote’s View from Home”. In order to complete this section we will need pictures of “a coyote’s view from home”. We have created an email address for pictures to be mailed. The address is YearBook@tatumschools.org. We will need for you to make sure that you include in the SUBJECT line: **THE NAME OF THE STUDENT AND THE GRADE OF THE STUDENT.** This will help with the sorting of the pictures. If you have questions you may also send them to this email address. Thank you for your help in finishing what is going to be a creative and fun yearbook. In addition, we do still have yearbooks for sale. The cost is \$20 each. If you are interested you can contact us through the email.

Sincerely,

2020 Yearbook Staff
