

May 4-7

Graham

Week 5 NMH

Hello,

It is May and we are winding down the last few parts to NMH. New Mexico has a unique involvement in WW2, and seeing how we just talked about how the government tried to wipe out native culture we find ourselves in a predicament needing a way to beat German forces in a brutal war. Navajo Code talkers will be the secret weapon that was kept secret for many years and it will save Europe.
