

Week 5 7th Social Studies

Graham/Hess

May 4-7

After looking at the conspiracy theories into the JFK assassination the country seems to be voicing their opinions. With this comes the Right to Freedom of Speech. The civil right movement is a time of hate that tore this country in half (again). Watch these videos and see just how life was for those who would dare to speak out for equal treatment. Answer the questions while watching "Eye on the Prize".
