COVID-19 Busing Guidelines

We have been notified that busing will begin next week for all eligible students. **Eligibility is based on your registered address only.**

If you believe you are eligible, we need to enter your information into the pupil transportation system and it will either accept or decline the registration based on your registered address.

General Busing Eligibility as per NYC DOE	
Grade Band	Distance
K-2	½ mile or more
3-6	1 mile or more
7-12	Metro Card

PS/MS 114 Bus Stops:

On our website, there is a link on the left side of the page titled, Busing. In that link, we have a list of morning stops and afternoon stops. Note that morning stops are for YOUR information as you determine where your child will get on the bus based on your address.

We need to know the AFTERNOON bus color and stop to enter into the student transportation system. In addition, this will determine which bus your child takes home each day.

Returning Bus Students:

If your child has taken the bus in the past, they are already in our system as receiving busing. Please note that children moving from 2nd to 3rd grade have a change of eligibility (see chart above).

To review the bus stop that your child is assigned, visit mystudent.nyc to access your child's NYC Schools Account and look in the transportation tab.

In past years, we have done our best to accommodate 7th and 8th grade students who live in Roxbury and Breezy Point due to the lack of public transportation down the main road. Based on COVID-19 busing restrictions, we may not have available space to continue this accommodation. We will know more as busing begins.

New Bus Students (Kindergarten and New Admits):

Complete the attached Google Form to notify us if you believe your child is entitled to busing. We will enter the information into the system to assign your child to an afternoon bus.
