Friday Updates

Good Afternoon,

We were all very disappointed that we could not return to our school building today as we had hoped and planned. However, as we know, all NYC DOE schools have transitioned to Full Remote Learning until further notice. We are all facing such uncertainty these days and there seem to be more questions than answers at times. We will keep you updated as we receive any new information.

- We want to thank all families for engaging in our first Virtual Parent Teacher Conferences. So many teachers reported how thankful and appreciative families were toward the work in Blended and Full Remote Teaching and Learning. Your words of gratitude really made teachers feel valued and we thank YOU for that.
- All families should sign up for a NYC Schools Account. To access or sign up for a NYC Schools Account, go to [mystudent.nyc](https://mystudent.nyc) If you need any assistance or need your access code, please email Mr. Halfmann at [Jhalfmann@schools.nyc.gov](mailto:Jhalfmann@schools.nyc.gov)
  - Report Cards for grades 1-8 will be available on your NYC Schools Account December 9<sup>th</sup>. Kindergarten report cards will be sent to families via email.
- As students continue to face uncertainty in their lives, our guidance team met Thursday to outline new Social Emotional Learning lessons and resources for students in all grades. Teachers will be incorporating lessons into their Full Remote schedules beginning next week.
- Our school is still open for “grab and go” meals. Any student or parent can stop by the 134<sup>th</sup> Street entrance to pick up a bagged breakfast or lunch daily from 9-12. Next week, food services will also prepare “Turkey Dinner” meals that can be picked up from 9-12.

We hope that you have a restful weekend and that you and your families are safe and healthy. Please reach out to us with any questions or concerns.

Mrs. Welsome
