July 16, 2020

Good Morning Families,

As you know from the Chancellor's letter on July 8th (link below) we are trying our best to return to school buildings in September through a Blended Learning approach (part-time in person and part-time remote learning). If you want your child to take part in a Blended Learning approach, you do not have to take any action at this time.

However, families also have the option to continue with Full-Time Remote Learning (100% on-line) in September. If you would like to continue with full-time Remote Learning in September, you must complete the survey below by August 7th. Completing this survey ASAP will provide us with necessary information to begin planning for students who will be returning to the building.

- If you choose 100% Remote Learning but want to change your child's preference back to Blended Learning, you must complete this form again by August 7.
- After August 7, any family who chose 100% Remote Learning will have the option to change back to Blended Learning at a few specific times during the school year.

Want to continue all-remote learning in the fall? Let us know by completing the [Learning Preference](#)(Open external link) survey by August 7

Thank you for your support as we plan for a safe return to the school building.

Elizabeth Welsome
