

October, 2020

Dear PS/MS 114 Parents:

Welcome to the 2020-2021 School Year! We are excited about the new school year and have lots of exciting ideas and initiatives planned. Your Parent-Teacher Association needs your help! Each year we collect dues to help support the many activities, programs, supplies and more that we provide to the students and staff at our school. As you may or may not know we do not receive any additional funding from the Department of Education for many of the ancillary and supplemental programs at our school. The PTA holds events during the year and we collect dues so that we bring our students as many programs and services to help complement and enhance their educational experience at The Belle Harbor School!

We know that this year there a ton of unknowns as we all navigate the COVID crisis. Every year ask for \$50 per family, but this year we are asking for any amount that you are willing and able to contribute; will be greatly appreciated! We will be collecting donations and contributions on Cheddar up ONLY and will not be accepting checks or cash because of COVID.

Thank you again for your support. If you ever have any questions do not hesitate to email us at psms114pta@gmail.com.

Our first PTA Meeting will be on Tuesday, October 27 via zoom. We hope to see you there! Please make sure you sign up for our Facebook page and regularly check remind messages for PTA Communications! We will send information and meeting link in the coming days regarding the upcoming PTA meeting.

DONATION LINK: <https://family-dues-28522.cheddarup.com>

Wishing you a great year,

Stay Safe & Healthy!

PS/MS 114 Parent-Teacher Association Board

Remember to sign up for our REMIND and receive PTA notifications!
