

National Junior Honor Society

Mrs. Poggioli-Esposito - Chapter President

Ms. Ferragamo - Staff Adviser

The National Junior Honor Society is the leader among educational organizations and societies that promotes recognition for middle level students who reflect outstanding accomplishments in the areas of scholarship, leadership, service, citizenship, and character. Membership in the National Junior Honor Society is a privilege. The Honor Society member exhibits excellence in academics and leadership, displays honorable and admirable character, and demonstrates a commitment to service and good citizenship—all of which indicate that the member is willing to use personal talents and skills for the improvement of both self and society.

Each member is required to maintain a 90 or above overall average and is required to do community service. This past school year the

National Junior Honor Society members spearheaded fundraisers that raised money for City Meals on Wheels, Autism Speaks, and The American Heart Association. They also served the school community at Pasta night.

Inductions are held in June and graduating 8th graders receive honor chords to wear at graduation.
