

Dear P.S. 81 Families,

Thank you for your support during this difficult time. We know how challenging it is for you to guide your children with their assignments and attend to your responsibilities. We applaud you for your amazing involvement and dedication.

We will be continuing our online learning during Spring Break, which will include April 9<sup>th</sup> and April 10<sup>th</sup>. There have been some modifications to our online learning. Teachers will continue to use Google Classrooms, Seesaw and Flipgrid. However, we suspended Zoom Meetings due to concerns about security and privacy. Our teachers will be transitioning to Google Meet. Your child's teacher will be notifying you as soon as this is in place.

I am attaching a letter for parents from Chancellor Carranza. It outlines our plan for ongoing support for our students during Spring Break.

Thank you for your continued support during these unusual times. Please stay safe. Our P.S. 81 families are in our thoughts and prayers. If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Anne Kirrane  
Principal, P.S. 81
